Again we offer JESSPE, one of the most outstanding African Violets in its class. With the deeply frilled dark leaves, sometimes almost black; and its ability to be constantly in bloom and its hardiness, all these qualities make Jesspe great.

This season we are offering three as follows:

Jesspe No. 1. Single frilled dark purple

Jesspe No. 2. Semi-double dark purple

Jesspe No. 3. Double dark purple

Mrs. Setzler, the originator of Jesspe will have them on display at the National Convention in Minneapolis, April 19-21. See them and you will agree that they are great.

PRICE: One dollar per leaf
